

Ukraine

Volga Blue, a mesmerizing stone from Ukraine, is a true gem for any discerning admirer of natural beauty. Quarried from the Zhytomyr region in Ukraine, this striking stone stands out with its deep, rich blue and shimmering silver speckles, reminiscent of a starry night sky. Volga Blue is a unique choice for architectural and design projects, adding an elegant touch to interiors and exteriors alike. Its durability and timeless aesthetic make it a popular choice for countertops, backsplashes, and flooring. With its origins rooted in the heart of Ukraine, Volga Blue brings a piece of this picturesque country's natural allure to your home or project, making it a symbol of elegance and sophistication. Explore the endless design possibilities with Volga Blue, a Ukrainian stone that embodies both artistry and nature's grandeur.
